We the People Volunteers

The Indiana Bar Foundation will host six We the People regional competitions in November, and we are seeking 200 volunteer judges from around the state to make them a success. Prior We the People experience is not necessary as training will be provided onsite.

Loan Repayment Assistance Applications

The Richard M. Givan Loan Repayment Assistance Program directs assistance in the form of a forgivable loan to law school graduates employed in non-profit organizations dedicated to serving the civil legal needs of low-income individuals and families in Indiana. The program is designed to assist attorneys who have incurred significant educational debt so they can work in civil legal aid programs for the poor.

[Applications](#) are due October 1.

Chess Tournament Benefiting We the People

On October 26, Cohen & Malad and Barnes & Thornburg will host a chess tournament where 100% of the funds raised will be donated to the We the People program. There will be an adult division and a youth division with the top-ranked finishers advancing to a 'simul' in which Chess Grandmaster Fidel Corrales Jimenez of Boston will simultaneously play all players in individual games.
